## Quality Policy

Accurate Cooling Services Ltd is a Heating, Ventilation and Air Conditioning specialist focusing on providing maintenance, servicing and installations for its clients. We strive to provide excellence on every job we carry out for our clients, no matter the task. Accurate Cooling Services Ltd aims to perform beyond statutory compliance and surpass customer expectations by adopting the following:

- Emphasis on Customer Service
- Strict Compliance (as a minimum) in relation to meeting standard regulations according to SFG20
- Optimising costs through maximising productivity
- Excellence in every task we carry out
